

2 – 4 Year Olds Children’s Meeting

LESSON 31 ANIMALS THAT HELP MAN - COWS

TEACHERS: pray and read Genesis 1:24-25

OPENING TIME: Songs from Toddler Song Book or others

BIBLE VERSE: “The earth is full of Your creatures.” Psa. 104:24

LESSON:

1. On the **sixth** day God created the living animals. Let’s name some of the animals that help man...the animals that live on farms. (Use the flannel board with all the farm animals.)
2. Today we will talk about cows and how they help man. Farmers raise cows for their milk.
3. Cows have to have much good grass to eat to make good milk; if they eat weeds, the milk can taste really bad.
4. Cows have their babies in the spring (like most animals) when the weather is beginning to warm up and there is plenty of food for them to eat. Baby cows are called calves.
5. Cows have to be milked twice a day. Dairy farmers send the milk to be sold to grocery stores.
6. God cares for all the animals he has created. He made each one of them in a special way. He wants man to care for the animals he created also.
