

2 – 4 Year Olds Children’s Meeting

LESSON 32 ANIMALS THAT HELP MAN - PIGS

TEACHERS: pray and read Genesis 1:24-25

OPENING TIME: Songs from Toddler Song Book or others

BIBLE VERSE: “The earth is full of Your creatures.” Psa. 104:24

LESSON:

1. On the **sixth** day God created the living animals. Let’s name some of the animals that help man...the animals that live on farms. (Use the flannel board with all the farm animals.)
2. Today we will talk about pigs and how they help man. Farmers raise pigs for their bacon and hams.
3. Pigs have to have a nice cool muddy puddle to stay cool since they can’t sweat.
4. Pigs have their babies in the spring (like most animals) when the weather is beginning to warm up and there is plenty of food for them to eat. Baby pigs are called piglets.
5. Pigs get very, very big before they go to market to become bacon and ham.
6. God cares for all the animals he has created. He made each one of them in a special way. He wants man to care for the animals he created also.
