

## 2 – 4 Year Olds Children’s Meeting

### LESSON 3 GOD’S CREATION

**Creation – Second Day -- God created the atmosphere (air surrounding the earth)**

**TEACHERS:** Pray together and read: Genesis 1:1-8.

**OPENING TIME:** Singing. We also sang the following words to the tune of Farmer in the Dell.

*The heavens were made for earth*

*The earth was made for man*

*Man was made for loving God as much as he can. Repeat*

**Bible Verse:** And God said, Let there be an expanse in the midst of the waters, and let it separate the waters from the waters. Gen 1:6

#### LESSON:

God loves man so in His creation He prepared everything to make a very pleasant place for His beloved man to live.

The heavens are for the earth, earth is for man, and man is for God! Thank you God for Your wonderful creation.

God created the firmament by His speaking.

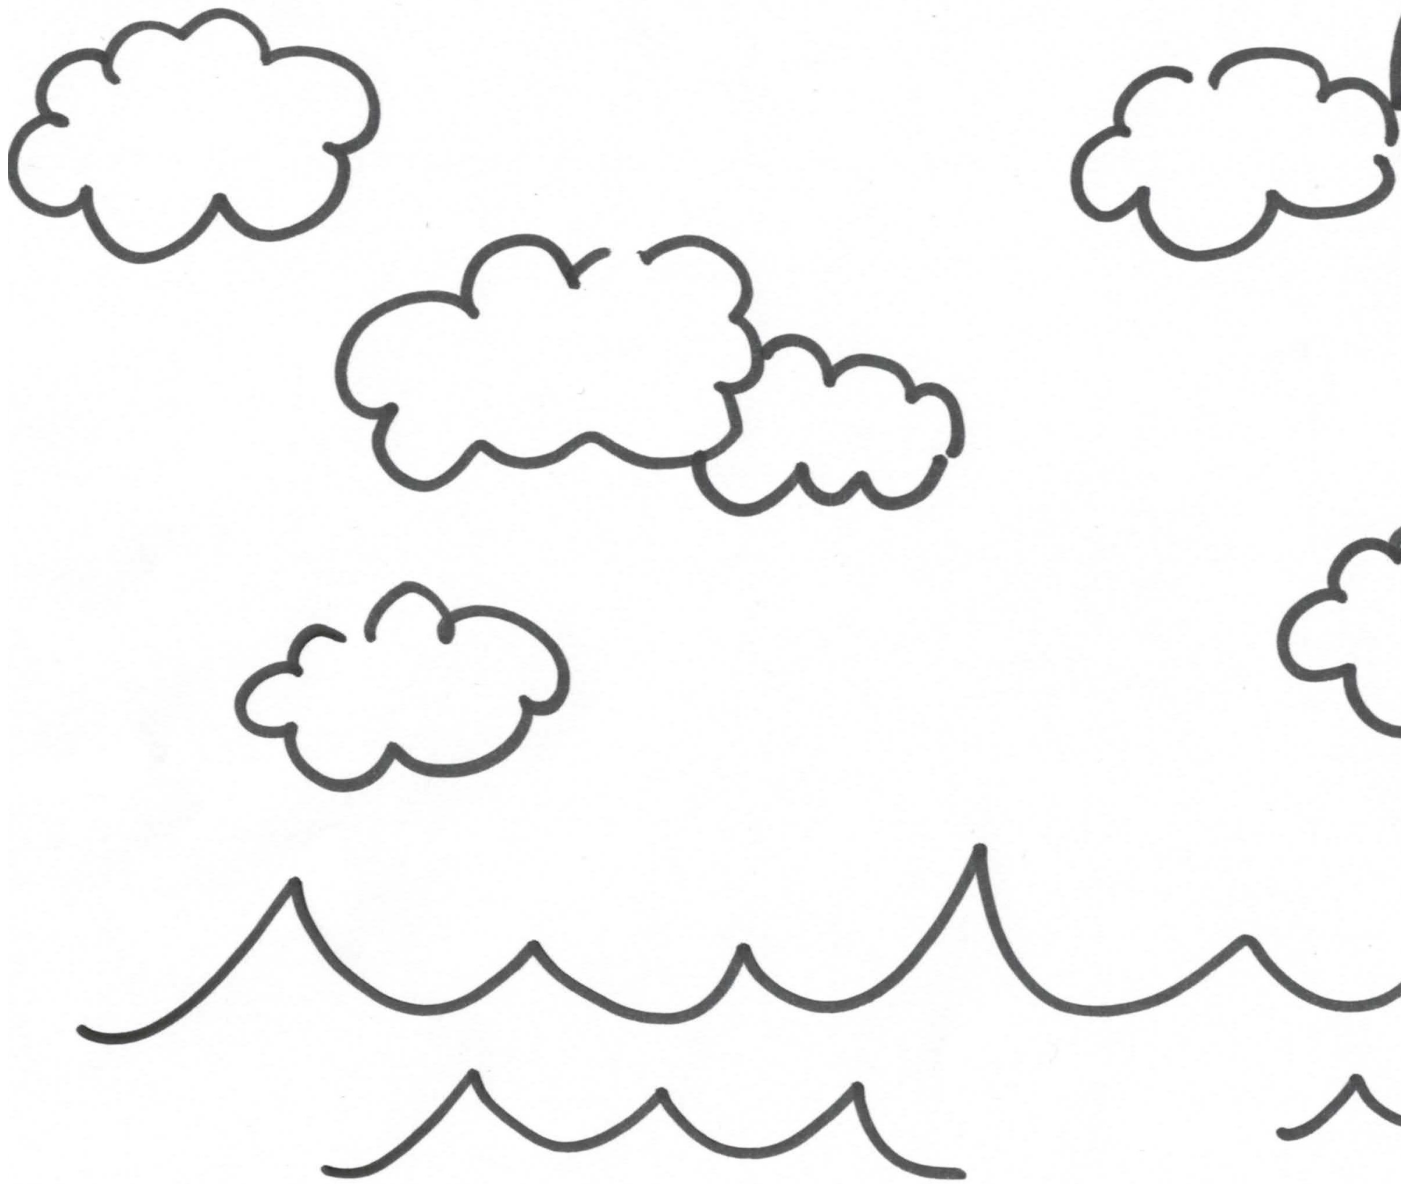

The firmament contains everything in the heavens: the sun, the stars, and the planets.

#### ACTIVITIES:

**Coloring page**

**Outdoor play if weather permits**

**Craft –** Glue cotton balls to the clouds on the coloring page, and glue the coloring page onto blue construction paper.

**And God said, Let there be an expanse in the midst of the waters,  
and let it separate the waters from the waters. Gen 1:6**
