The Ten Commandments

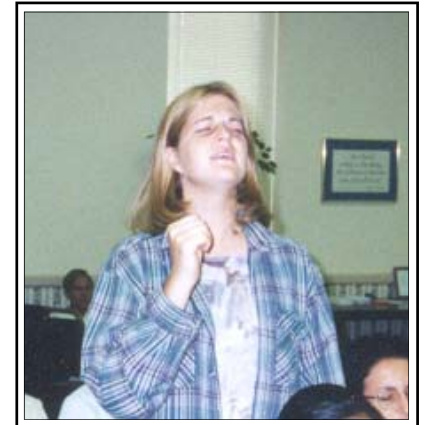

- Lesson Seven -

The Third Commandment (2)

I. Overview.

Only we, the Lord's children, truly know how precious and dear the Lord's name is. His name is above every name on earth and in heaven. We should never use His dear name in a vain way. We should pray that His name would be sanctified and exalted on the earth. We should believe in His name, call upon His name, bless His name, sanctify His name, and love His name. Glory to His name!

Throughout both the Old Testament and the New Testament, we are encouraged to call upon the name of the Lord, to sing praises to His name and to lift His name up high. When we honor and exalt the Lord's name, we are honoring and exalting the Lord Himself. This is a glory to God. It is also the highest privilege for us to be called by the Lord's name.

III. Lesson.

The Most Special Name

There is only one name under heaven given among men by which we can be saved: the name of the only Savior, the Lord Jesus Christ. God's enemy, the Devil, hates this name. He doesn't like to hear people speak and praise God's name. He will use any way possible to keep this name from being known to man. This is the reason that the Lord taught the disciples, those who loved and followed Him, to firstly pray that God's name would be sanctified on the earth, as it already is in heaven. This means that His name would be made known as the most special and unique name on earth among all the nations and peoples. God's name should be honored and respected in all lands.

People Need to Believe into His Name

When a person hears of the Lord Jesus Christ and believes in His name he is saved and born of God. He becomes a child of God. How blessed it is to believe in His name. God's name is a powerful name.

In order to enjoy the Lord and His ever available salvation we can call upon His name. As we call upon His name, whether loudly or softly, we know that He is very near to us. As we call upon His name we are protected from all of our enemies. Just by saying "Oh, Lord Jesus!" We can also enjoy Him just by saying "Praise the Lord!"

God's People Should Glorify His Name

As God's people we should not be those who use the Lord's precious name in vain. Rather we should always bless and give thanks to His name. We should glorify God's name. In all the things we do, we either bring glory or shame to God's name. In order for us to bring glory to God's name, we should be those who obey what we are told to do, who show respect to our parents and other older ones, and especially those who speak highly of our God. As God's people and His dear children we should be those who love His name, even sweetly calling Him, "Abba Father".
