

2 – 4 Year Olds Children’s Meeting

LESSON 46 DANDELION SOWERS

TEACHERS: Pray together and read Genesis 1:10 – 13

OPENING TIME: Sing -- Jesus Loves Me, This I Know / If You’re Happy

BIBLE VERSE: Matthew 6:28 “Consider well the lilies of the field, how they grow.”

LESSON:

1. In the summer, we notice many different kinds of flowers.
2. Dandelion is a yellow flower we see in the middle of the yard.
3. It is actually a flower head composed of many small flowers collected together.
4. Dandelion loves the sun. It opens at dawn and closes at night.
5. This yellow flower turns into puffball that consists of large number of fruits.
6. The seeds act like parachutes and are dispersed by wind.
7. The wind acts as a sower to help spread the dandelions.
8. Dandelion seeds can travel 5 miles before they finally reach the ground.
9. Most people consider dandelion as a weed, but they are actually good for your lawn.
10. Parts of the dandelion are also used as medicine.
