## The Person and Life of the Lord Jesus

- Lesson Fifteen -

### *The Resurrection of the Lord Jesus Christ (3)*

#### I. Overview.

In the previous two lessons we have stressed the fact of the Lord's resurrection and how His invisible presence is always with us. In this lesson we want to see that the Lord's resurrection was not merely the physical raising of His body, but it was much more. When the Lord Jesus was resurrected He was glorified. This means that His human body was filled with the glorious expression of God. His body was also transfigured and became a spiritual body.

In resurrection the Lord became the life-giving Spirit. Now just like the air the Lord can be everywhere at the same time.

The Bible tells us that through the resurrection of Jesus Christ, He also became the life-giving Spirit. This is the greatest thing that has ever happened! Now in resurrection, as the life-giving Spirit, the Lord Jesus is able to live inside of all those who believe in Him.

#### II. Memory Verse.

**“So also it is written, “The first man Adam became a living soul”; the last Adam became a life-giving Spirit.”**

(1 Cor 15:45)

### III. Lesson.

The resurrection of the Lord Jesus Christ is the most important fact of our Christian faith. Because of the resurrection we have the assurance that He truly was and still is the Son of God. We also know that He fully pleased God and lived His entire life and died according to God's will. He also fully accomplished the work God needed Him to do.

#### The Resurrection is a "Seal of Approval"

The Lord's resurrection is like God's "seal of approval". This means that by His resurrection, God has fully approved of every aspect of the Lord's person and work. Because of this we can take His living as recorded in the four gospels as the standard model for our example. We can also take His teaching to be God's speaking to us, and God's revelation to us, so that we would know how to live our lives.

His resurrection is also the proof of the accomplishment of our redemption and salvation. Since all of our sins were put upon Jesus, if He had not paid the price for every last one, God could not have raised Him from the dead. But since He has been raised, we can know our forgiveness, redemption and salvation are so strong and secure.

The Lord's resurrection brought Him into glory. Now the rich beauty of His life is expressed.

#### The Lord Changed His Form

It was through the Lord's resurrection that He changed His form from being in the flesh to become the life-giving Spirit. He did this so that He could enter into the believers and live inside of them. The Apostle Paul explained this by using the example of a seed. A seed has life on the inside and a shell

on the outside. Before a seed is planted, you cannot see the beauty of its life, which are the flowers, the leaves and the fruit. But when the seed is buried into the ground the outer shell "dies" and decays. Then you no longer see only the outward shell, but you see the life of the seed! When Jesus was in the flesh, His disciples could enjoy His presence. But now that the Lord is resurrected and glorified, the life that was hidden in His human body is now expressed through His spiritual body. He is available to us all because He became the life-giving Spirit. Now the Lord is the Spirit. Just like the air, He can be everywhere at the same time. So He is always with us whenever we pray to Him and call upon His name.
