## Man in God's Creation

- Lesson Ten -

### *Men and Women are Special in God's Creation (4)*

#### I. Overview.

**M**an was created by God as the highest creature. God also created all kinds of animals for man's enjoyment, food and service. God created Man as the most intelligent and best of all His creatures. Because of this God gave man dominion over all the animals on the earth. This means that man rules over all the animals. Man is the master of the animals – to enjoy them and to take care of them.

God created horses  
for man's pleasure.

In God's creation, He created the heavens for the earth. He created the earth and all the things on the earth for man. This includes all of the animals. They were created by God to serve man in many ways. This lesson discusses some of the many ways that animals serve man. God's care for man is wonderful. Through the animals, God provided for many of the needs that man would have.

#### II. Memory Verse.

**“Have dominion over the fish of the sea and over the birds of heaven and over every living thing that moves upon the earth.”**

(Gen. 1:28b)

### III. Lesson.

#### Some Animals Provide Man with Service

Like the horses on the front page, some animals provide man with service such as transportation. Animals also have been used by man to provide other kinds of work like pulling plows, and turning mills to grind grain. God gave the animals to man to serve him in many ways. Often heavy loads are carried by animals that couldn't be carried by man. And before the modern age, animals were the primary means of transportation for centuries.

#### Some Animals Provide Man with Food

Man utilizes animals for food in many ways. Animals provide man with milk, cheese, eggs and meat. Even though at the time of Adam and Eve, man did not eat the meat of animals, eventually man would eat many different kinds of meat such as beef, pork and fish. This is another way that God uses the animals to serve his purpose with man.

#### Some Animals Provide Man with Clothing

Man has also used animals to provide clothing. Sheep are shorn for their wool. Wool is used to provide man with warm garments to protect him from the cold. Also the skins of some animals are used for leather. Leather is used for saddles, gloves, garments and shoes. After Adam and Eve sinned, God Himself even clothed man with the skins of an animal to cover them.

Some animals are simply for man's pleasure.

### Other Animals are Simply for Man's Pleasure

There are also many animals that are just for man's pleasure. God certainly wants man to enjoy his living on the earth. Animals have provided man much pleasure.

Consider the many kinds of animals that man has used as pets. God has given man dogs, cats, birds, horses and many other kinds of animals just for enjoyment. There are also animals that are simply beautiful to look at such as colorful birds and butterflies. God placed all of the animals on the earth to serve man.
