The Disciples Prayer

- Lesson Ten -

Praying in the Lord's Name

I. Overview.

As God's dear children we may pray in the name of His Son, our Lord Jesus Christ. We may pray in His name concerning our every need and the needs of others. Whatever we ask of God according to His will in the "name of Jesus", which is the highest name in the universe, will be heard by Him and answered. God will answer our prayer in His timing and according to His wisdom. He loves to hear and answer our pray in the Lord's name.

**The Father desires
to care for all our
needs as we pray in the
name of the Lord.**

The Lord Jesus encouraged us to make our needs and requests known to God. We express our faith in God through this kind of prayer. When we pray, we should pray in the name of the Lord Jesus. To pray in the Lord's name is to ask in the name of the highest One in the universe, the one to whom all the authority is given and to whom every knee must bow and every tongue must confess.

II. Memory Verse.

"And whatever you ask in My name, that I will do, that the Father may be glorified in the Son."

(John 14:13)

III. Lesson.

In addition to teaching the disciples about the things that they should pray for, the Lord Jesus taught them about praying in His name. He told them that the Father would answer the prayer that was prayed in the name of the Lord Jesus. To pray in the name of the Lord Jesus is simply to pray in oneness and fellowship with Him. Actually, all proper prayer should be “in the name of the Lord Jesus.”

Needing a Good Conscience

In order for us to be in fellowship with the Lord, we must also have a good conscience. Our conscience can be kept clean and good by confessing our sins. When we confess our sins to the Lord, He will forgive our sins and wash them away with His precious blood. When our sins are all washed away, we have a good conscience and can enjoy a true fellowship with the Lord. In such a fellowship we can pray in oneness with the Lord Jesus, which is what it means to pray in His name.

The Highest Name in the Universe

The Lord Jesus’ name is the highest name in the universe. To pray in His name is to use the highest authority. The highest authority in the universe has been given to the Lord Jesus. Every knee shall bow to Him and every tongue shall confess that He is Lord. Such a high and powerful name is the key to open the heavens so that all our prayers can be heard and answered. The Father will always answer the prayer that is prayed in the name of His Son.

The Lord Jesus has the highest name in the universe.

God’s Answers to Our Prayers

If we pray in the name of the Lord Jesus, which is actually to pray in oneness with Him, we will always pray according to the Father’s will. This is because the Lord Jesus, with whom we are one, always prays according to the Father’s will. When we pray, it sometimes seems like nothing happens. It may seem like God does not hear or answer our prayer. However, we must understand that God answers all proper prayers. But He answers them in His own time and according to his own way and wisdom. God know’s best when and how something should be done. We should simply believe and trust and watch. We should even do so with much thanksgiving.
