

2 – 4 Year Olds Children’s Meeting

LESSON 10 -- THE FALL SEASON

TEACHERS: pray together; read Genesis 8:22, Ecclesiastes 3:1-12

OPENING TIME: Sing “Praise Him, praise Him, all ye little children”
“If You’re Happy and You know it”
“This is the day, this is the day, that the Lord has made”
“God Made the Mountains”

BIBLE VERSE: “For everything there is a season...” Ecclesiastes 3:1

LESSON:

1. The third season of the year is called fall or autumn. God really displays His beauty and wisdom at this time of year.
2. The days are getting shorter and cooler. These two things cause the leaves to start to change color. The green leaves on the trees turn to red, yellow and orange. Everywhere we look we see beautiful colors.
3. Lots of other things are colorful too. Pumpkins have grown big and orange. Apples turn red. Corn turns yellow and is picked from the field, leaving its brown stalks and husks in the field.
4. The birds are leaving and flying south where they will be warm for the winter. Have you seen the geese and ducks flying in the sky this time of year? Who told them to go south? God created them this way. They just know to fly south where there will be food and warmth.
5. The animals have eaten lots of food so they can be strong in the winter. They have grown thick, furry coats to keep them warm in the cold days ahead.
6. How wise God is! How much He loves all His creation to provide for them in such a way!

ACTIVITIES:

Coloring page

Craft

Make apple prints
